61001 MODERN APARTMENT

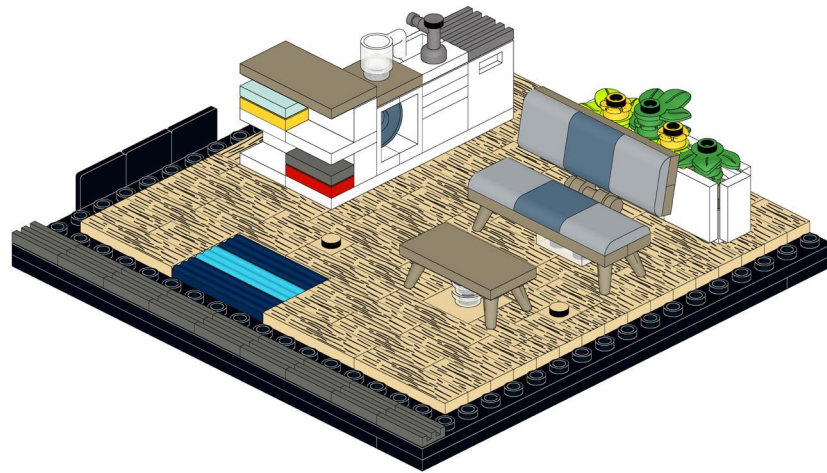

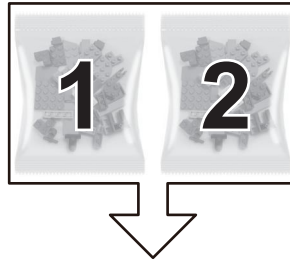

This detached modern apartment offers multiple spatial possibilities and a diverse building experience.

On the first floor are an open kitchen and living room furnished with bar tables and stools, a large TV wall and floor-to-ceiling glass windows to form an interactive, spacious living and leisure area.

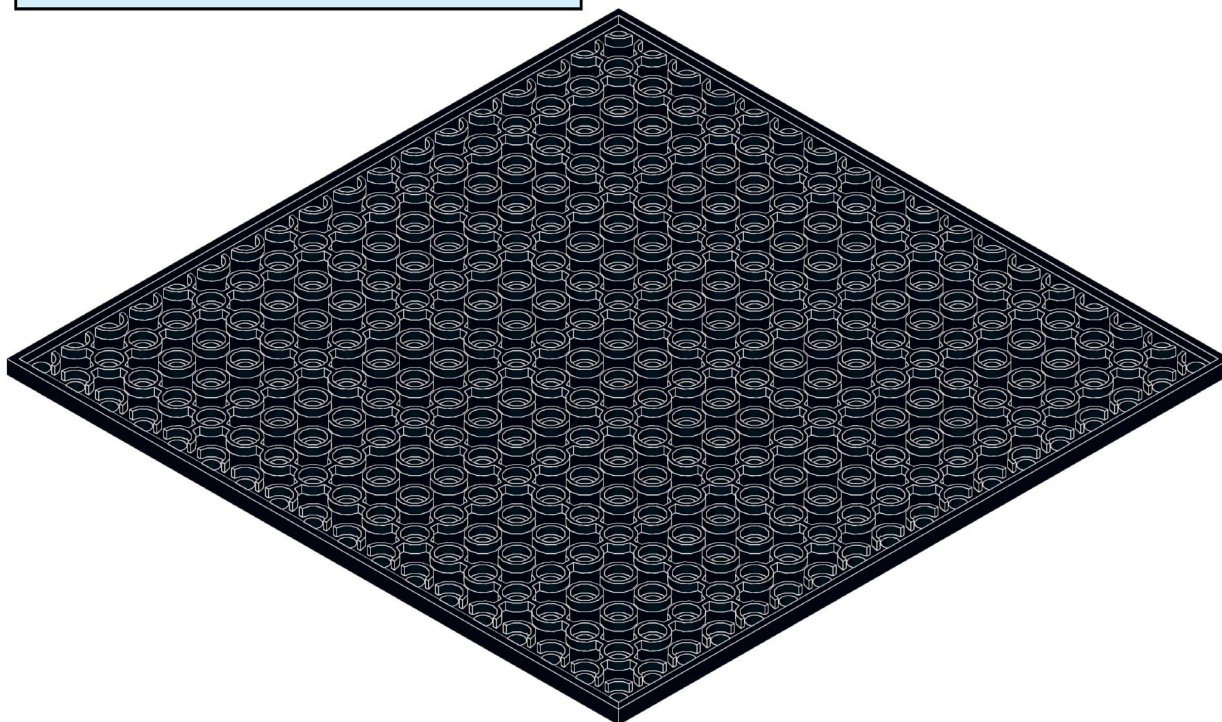

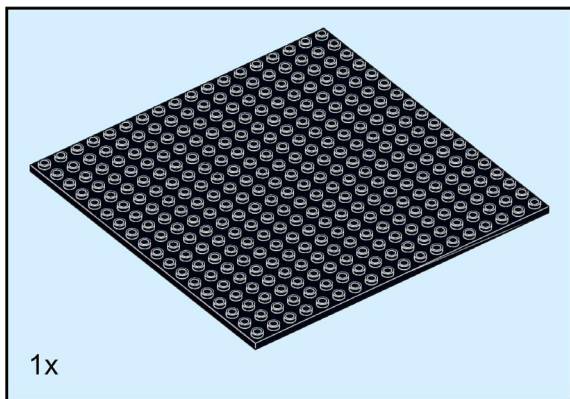

Located on the second floor is a bedroom with a folding door and windows to conjure up a comfortable and minimalist private space. In the morning and afternoon, one can admire the beautiful urban scenery from the balcony and totally immerse in the tranquility and comfort of life.

Brand new components can be incorporated into the interior and exterior walls to craft multiple styles. The lifelike wood-grained level blocks and exquisite chair legs give the architects a block-building experience like never before.
