## 61003 CLASSIC APARTMENT

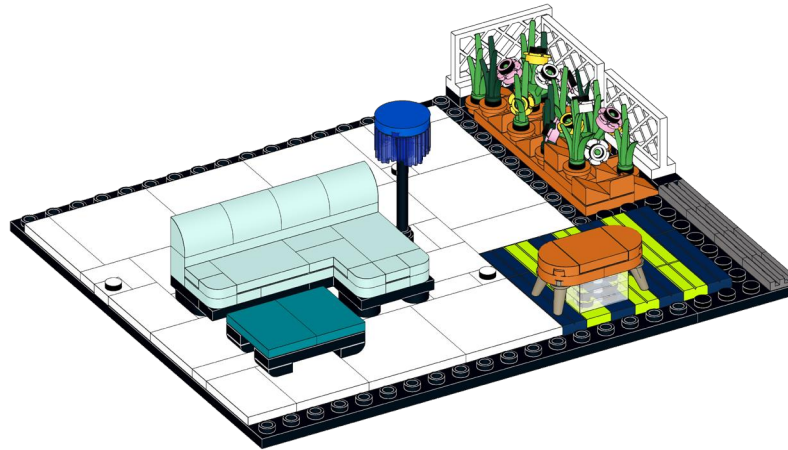

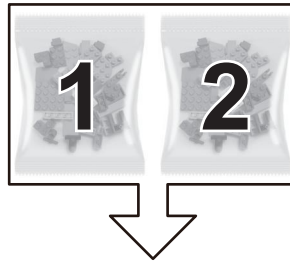

The detached loft apartment is a simple but practical dream home.

Situated on the first floor are the living and dining areas, all harmoniously combined into one. Different lifestyle functions, from guest reception to leisure, work and relaxation, can be performed in the ultra-large dining room.

Panoramic floor-to-ceiling windows are seamlessly integrated with the small outdoor garden, bringing in the multicolored views of spring for visual delight. The chestnut-coloured stairway in the air is minimalist yet practical, leading the architects to an exclusively private area on the second floor.

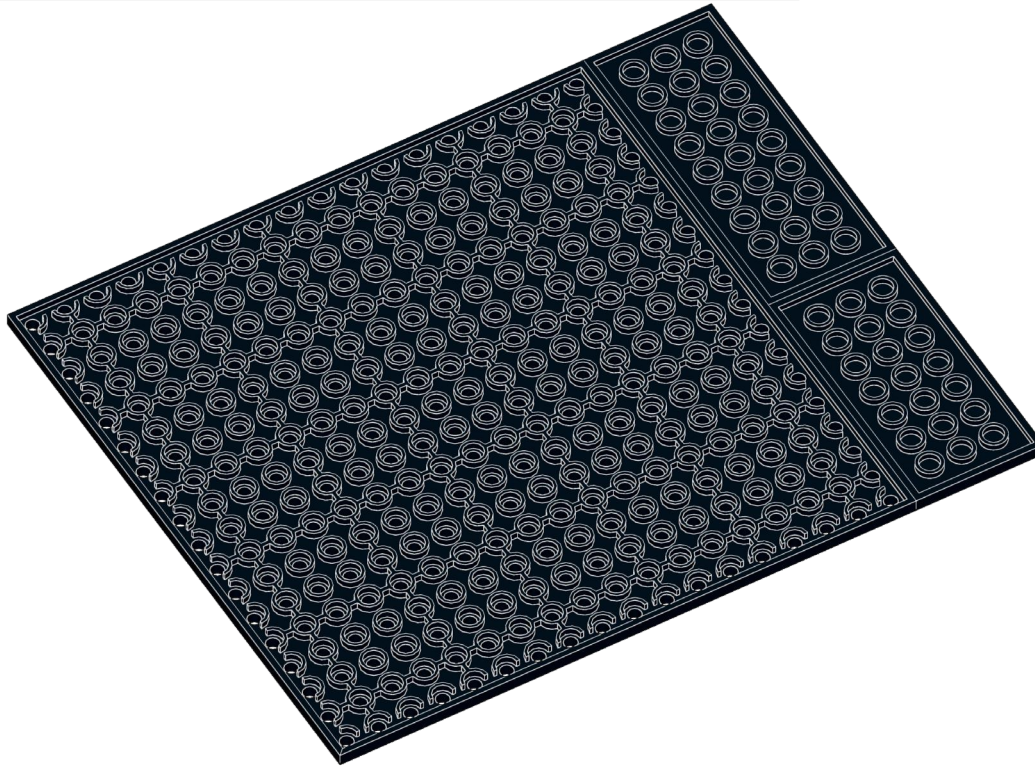

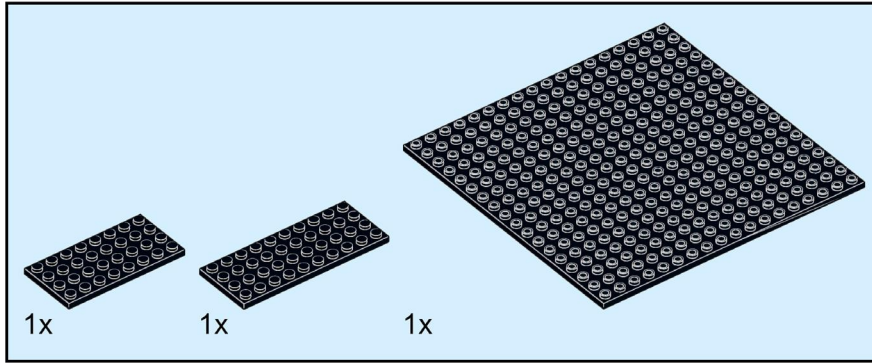

Here, a bright yellow sofa for lazing around matches the pristine white wardrobe and bed to brighten up the space and provide a comfortable place for leisure and rest.
